## **Pope remembers victims of Soviet-made famine in Ukraine, prays for peace**

Vatican City — November 23, 2022

Praying for peace in Ukraine, Pope Francis remembered both the victims of Russia's current aggression and the millions of victims of a Soviet-engineered famine 90 years ago.

"Let us pray for peace in the world and an end to all conflicts, with a special thought for the terrible suffering of the dear and tormented Ukrainian people," the pope said Nov. 23 at the end of his weekly general audience.

Speaking of Ukraine, he said, "next Saturday (Nov. 26) is the anniversary of the terrible genocide of Holodomor, the extermination by starvation artificially caused by (Josef) Stalin in Ukraine in 1932-33."

"Let us pray for the victims of this genocide and pray for so many Ukrainians -- children, women and the elderly, babies -- who suffer the martyrdom of aggression today," the pope said.

Ukrainians mark Holodomor Memorial Day Nov. 26, especially with prayer services remembering the dead.

Ukraine has long been a major producer of grain. Stalin's orders to collectivize farms in Ukraine and confiscate most of the grain led to the famine, which Ukrainians and many others believe was a deliberate attempt to destroy Ukrainian national identity after the formation of the Soviet Union.

Historians disagree on how many people died, although it is generally accepted that there were at least 3.5 million to 5 million victims. The website of the Holodomor Museum in Kyiv estimates at least 7 million people in Ukraine and 3 million Ukrainians in other regions of the Soviet Union were starved to death, but the numbers could be even higher because "the communist totalitarian regime did everything possible to conceal the consequences of its crime. It was forbidden to record the real number of deaths."

### **Feast of Saint Andrew ~ November 30**

On November 30th we celebrate the Apostle Andrew the First-Called. St. Andrew gets this title since he is one of Jesus' first followers, having departed from being a follower of John the Baptist to join Christ. Besides being the first disciple of Jesus, we recognize St. Andrew for leading his brother, St. Peter, to Christ.

St. Andrew is particularly venerated in the Eastern Churches. This is because he went eastward to preach the word of God. Tradition is that St. Andrew through the grace of the Holy Spirit saw the lands of Ukraine/Kieven Rus and blessed it, and foretold that many golden-domed churches would be built there for the glory of God.

**Back to School Campaign** This year's history is being written with sad lines for many, especially for Ukrainians, many who have fled and scattered around the world. The war changed dynamics of their lives as well as ours. **Immaculate Heart of Mary School** has welcomed more than 50 new students with their families who have sought refuge from the war in Ukraine. The IHMS family has embraced them with open arms and is helping them feel welcome in their new life. We invite you to support these new students by making a gift to cover tuition, supplies and other costs that will help ease their transition Back to School 2022. You can make a gift online at [www.ihms.mb.ca](http://www.ihms.mb.ca) or call 204-942-0443.
