Healing of the Paralytic

Today's Gospel message carries several important lessons for our journey to salvation. The first is that we must come to Christ to be healed of our spiritual sicknesses. Christ did not just heal the paralytic but He also forgave his sins, which was more important. Secondly, just as the paralytic's friends helped him, we as the Body of Christ need to help one another. The passage stresses that it was not the faith of the paralytic alone that made him well. Only when Jesus saw "their faith" did He forgive his sins and heal him. Thirdly, we can think of prayer, fasting, almsgiving, and obedience as the four friends that help us come before Christ and be healed.

Prayer to Saint Joseph

Hail, Guardian of the Redeemer,
Spouse of the Blessed Virgin Mary.

To you God entrusted his only Son;
in you Mary placed her trust; with you Christ became man.

Blessed Joseph, to us too, show yourself a father and
guide us in the path of life.

Obtain for us grace, mercy, and courage,
and defend us from every evil. Amen.
