Lazarus Saturday

April 1, 2023

Having fulfilled Forty Days... we ask to see the Holy Week of Your Passion.

With these words sung at Vespers of Friday, Great Lent comes to its end and we enter into, Holy Week, the annual commemoration of Christ's suffering, death and Resurrection. It begins on the Saturday of Lazarus. The double feast of Lazarus' resurrection and the Entrance of the Lord to Jerusalem (Palm Sunday) is described in liturgical texts as the "beginning of the Cross" and is to be understood therefore, within the context of the Holy Week.

In the Gospel of the day, Jesus raises Lazarus from the dead. This causes "death begins to tremble." For there the decisive duel between Life and Death begins, and it gives us the key to the entire liturgical mystery of Pascha (Easter). In the early church Lazarus Saturday was called "announcement of Pascha", it announces and anticipates, indeed, the wonderful light and peace of the next Saturday—the Great and Holy Saturday, the day of the Lifegiving Tomb.

At the grave of Lazarus God encounters Death, the reality of anti-life, of destruction and despair. He meets His Enemy, who has taken away from Him His World and become its prince. And we who follow Jesus as He approaches the grave, enter with Him into that hour of His, which He announced so often as the highpoint and the fulfillment of his whole work. The Cross, its necessity and universal meaning are announced in the shortest verse of the Gospel: "and Jesus wept"... We understand now that it is because He wept, i.e., loved His friend Lazarus, that Jesus had the power of calling him back to life. The power of Resurrection is not a divine "power in itself," but power of love, or rather love as power. God is Love and Love is life, Love creates Life...It is Love that weeps at the grave and it is Love that restores life. This is the meaning of the Divine tears of Jesus. In them love is at work again—recreating, redeeming, restoring the darkened life of man: "Lazarus, come forth!..." And this is why Lazarus Saturday is the beginning of both: the Cross, as the Supreme sacrifice of love, the Resurrection, as the ultimate triumph of love.
